DETAILED ACTION

1. This communication is in response to applicant's response received on 12/15/2004. The amended claims 1, 3, 4, 7, 10, 12, 14-17 and the canceled claims 2, 13 have been entered.

Response to Arguments

2. Applicant's arguments with respect to claims 1 and 12 have been fully considered and are persuasive. The rejections of claims 1 and 12 have been withdrawn.

Allowable Subject Matter

3. Claims 1, 3-12 and 14-21 are allowed.

Regarding claims 1 and 12, the prior arts of record fail to teach or disclose a platform configured to command the operation of an appliance, including a readable media having instructions for retrieving information, wherein the instructions comprises transmitting a command to the appliance to cause the appliance to select one of a plurality of content streams, in response to a sensed activation of a command key of the platform. Each of the plurality of said content streams having within the platform an associated address for an information source that has information related to its corresponding content stream and initiating a retrieval of information related to the selected one of the plurality of contents streams using the address for the information source that has been associated within the platform to the selected one of the plurality of content streams; and displaying the retrieved information in a display of the platform.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
